CREATIVE IMAGES Portrait Studio

Features: Weddings with Janyl

“Let Creative Images make your day personal, professional and forever yours!”

-Erie Life Magazine

-CREATIVE IMAGES is committed to excellence in Wedding Photography. I know how important it is to capture and preserve the romance and emotion of your wedding day. My photographic style combines classic and contemporary looks, meeting a variety of lifestyles and needs. During your special day my assistant and I move unobtrusively respecting you and your guests while capturing everything from family portraits to candid.

-Through my award winning artistic style the moments of your wedding day will be captured and enjoyed for generations to come. As an expert in my craft, great results will be obtained in any setting. From the romance of your wedding day to “Trash the Dress,” I’m game for anything, while moving from emotional to fun situations.

- With Creative Images, I use top of the line equipment to ensure the highest quality management for each of your images. I offer all custom designed and professionally printed products, from the day of your wedding to the day you see your album for the first time. So, just remember it’s your day and that’s why you should want more than just “good enough!”

- My commitment is to create meaningful and beautiful portraits, while expressing sensitivity to each individual situation and the personal emotions of those involved. This ensures a memorable and rewarding photographic experience, so that you will receive an outstanding value for your investment. My goal is to utilize the best professional practices with honesty and integrity.

*- Thank you for your interest in me to share in your special day. I look forward to developing a personal relationship with you during the exciting process of your wedding planning!
